Dresden from on high

Are you interested in a bird's eye view of the historic center's sights? You get among spectacular views of the Frauenkirche church's interior interesting notes on the church during an exhilarant ascent to the dome. Arrived on the top you will be rewarded by a fantastic panorama – a memorable sight of "Dresden Elb-Florence". The illumination of the picturesque historic center in the evening hours and the lanterns' sparkle on the river Elbe are especially charming.
